In this thrilling competition, teams from UCSC's Mechatronics course will pit their autonomous robots against each other in an epic Slug Wars. Each robotic champion will attempt to locate the enemy droid, destroy it with ping-pong ball ammo, and escape through the illuminated hyperspace portal, all while avoiding moving asteroids! The champions will compete in a wild tournament, until one robot emerges victorious! The Public is welcome!

COME CHEER THE STUDENTS AND THEIR ROBOTS! ROBOTS, PING-PONGS BALLS, AND BATTLES — OH MY!
