CMPS 5J  
Introduction to Programming in Java  
Fall 2015

This course introduces programming in Java for students who have no prior programming experience. Students learn programming and documentation skills, as well as algorithmic problem-solving, and programming methodologies. Students will write small to medium sized programs. We will be working with Processing, an open source programming environment for Java oriented toward interactive graphics and animation.

**Time and Place:**  
MW 5:00-6:45 Media Theatre M 110

**Class Webpage:** [https://classes.soe.ucsc.edu/cmps005j/Fall15/](https://classes.soe.ucsc.edu/cmps005j/Fall15/)

**Instructor:** Patrick Tantalo  
[http://www.soe.ucsc.edu/~ptantalo/](http://www.soe.ucsc.edu/~ptantalo/)

**Email:** ptantalo@soe.ucsc.edu

**Office:** E2 257

**Office Hours:** MW 1:00 pm - 3:00 pm, T 10:00 am – 12:00 pm, or by appointment

**Phone:** 831-459-3898

**Teaching Assistants:**
Sean Smith  
[sewsmith@ucsc.edu](mailto:sewsmith@ucsc.edu)

Jonathan Pagnutti  
[ipagnutt@ucsc.edu](mailto:ipagnutt@ucsc.edu)

Suzanne da Camara  
[sdacamar@ucsc.edu](mailto:sdacamar@ucsc.edu)

**Course Tutors:** TBD

**LSS Tutor:**
Sveta Bodapati  
[sbodapat@ucsc.edu](mailto:sbodapat@ucsc.edu)

**Lab Sections:** The purpose of the lab sections is for the TAs and course tutors to provide help with programming assignments and quiz preparation, as well as to provide facilities for you to work on the programs. Attendance at the secondary labs is entirely optional. A schedule of lab sections will be posted on the class webpage. Note that this schedule may be subject to change, especially within the first two weeks of the course.

**Required Text:**

**Coursework and Evaluation:**
- **Programming Assignments:** Approximately 8 programming assignments of varying difficulty due at irregular intervals throughout the quarter, submitted via eCommons. *Programming assignments will not be accepted via email for any reason.*
- **Quizzes:** Five quizzes starting Wednesday October 7, then every two weeks thereafter. Quizzes will be held during the last 20 minutes of the class period. A complete listing of all quiz dates, and solutions will be found on the class website.
- **Final Exam:** Wednesday December 9, 7:30-10:30 pm.
Coursework will be weighted as follows:

- Programming Assignments: 30%
- Quizzes: 30%
- Final Exam: 40%

Grading scale:

- A+: 97%-100%
- A: 93%-96%
- A-: 90%-92%
- B+: 87%-89%
- B: 83%-86%
- B-: 80%-82%
- C+: 76%-79%
- C: 70%-75%
- C-: 67%-69%
- D+: 64%-66%
- D: 61%-63%
- D-: 58%-60%
- F: 0%-57%

Letter grade boundaries may be lowered at my discretion in order to eliminate some borderline cases.

**Accommodations for Students with Disabilities**

If you qualify for classroom accommodations because of a disability, please get an Accommodation Authorization from the Disability Resource Center (DRC) and submit it to me in person outside of class (i.e. during office hours) within the first two weeks of the quarter. Contact DRC at 459-2089 (voice), 459-4806 (TTY), or [http://drc.ucsc.edu](http://drc.ucsc.edu) for more information.

**Academic Honesty:**

The Baskin School of Engineering has a zero tolerance policy for any incident of academic dishonesty. If cheating occurs, consequences may range from getting zero on a particular assignment to failing the course. In addition every case of academic dishonesty is referred to the students’ college Provost, who sets in motion an official disciplinary process. Cheating in any part of the course may lead to failing the course, suspension or dismissal from the Baskin School of Engineering, or from UCSC.

What is cheating? In short, it is presenting someone else’s work as your own. Examples would include copying another student's programming assignment, or allowing your own work to be copied. You may discuss assignments with fellow students but your collaboration must be at the level of *ideas* only. You may freely give and receive help with the computer facilities, the Processing environment, and the Java programming language but you may not *copy, paste, email, transfer* or in any way share program *source code*. Please go to [https://www.ue.ucsc.edu/academic_misconduct](https://www.ue.ucsc.edu/academic_misconduct) to see the University's policy on Academic Misconduct.
