Homework Policies: You are encouraged to study together in small groups and discuss ideas about the homework problems before composing the solutions. You are expected, however, to write the solutions yourselves and not copy them from other students or share your solutions with other students. If you have worked closely with other students on particular problems, then you must mention the names of the people you have worked with and also the problems on which you worked together.

Quiz Reminder: The first quiz will take place on Tuesday, April 15 from 8:00 a.m to 8:20 a.m. in class. It will cover Chapters 1 and 2 of the book.
